

Uncompahgre Watershed Partnership Programmatic and Environmental Goals

2013-2015

Board of Directors – primarily responsible for priority programmatic goals.

Programmatic Goal 1

Develop UWP's organizational structure, governance, and functioning board.

Programmatic Goal 2

Develop UWP's financial capacity by building a sustainable operational fund through fundraisers, donor programs, and/or membership.

Programmatic Goal 3

Enhance UWP's public relations with diverse stakeholders through personal and professional networks and outreach initiatives (Assisted by OSM/VISTA & coordinator).

UWP Staff & Technical Committees – primarily responsible for environmental goals.

Environmental Goal 1

Restore waters impaired by legacy mining: acid mine drainage and heavy metal loading.

Environmental Goal 2

Develop a plan for improving water quantity and water conservation.

Environmental Goal 3

Develop river restoration plans and identify priorities for enhancing riverine ecosystem function.
